Allowable Subject Matter

1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance. The closest prior art of record failed to teach or suggest, calculating a reduction ratio equal to a ratio of the original document width to the digital handheld device screen width, processing color values of a two dimensional array of pixels of the original document, and building a reduced document comprising a plurality of pixel, having a width in pixels equal to the width of the original document divided by the reduction ratio and a height in pixels equal to the height of the original document divided by the reduction ratio, and displaying the reduced electronic document on the digital handheld device screen. Therefore, in combination with all the other limitations claims 1-15 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
